BUILDING WORK

Work is progressing roof above the Sacristy and Vestry should now be finished, but until the scaffolding has been removed the Sacristy and Vestry remain out of use or subject to restrictions. It should not affect access for services, but the SE door will not be used on weekdays when work is in progress. It is hoped that the work will be concluded very shortly.

If you are a Parish Officer and need to enter the church by the Sacristy door on weekday, please check with Fr David – it is best if access is as little as possible.

,It is still be necessary for the clergy to vest in the Baptistry. Please respect this and remember that they prepare for mass in silence.

Remember that the external SE corner of the Church and the exterior of the Lady Chapel are a work area and have many hazards. Please do not go into the area unless you have permission. Meeting etc will take place in the Parish Lounge.

NEW LECTIONARY

We hope as a Parish to buy a new edition of the Lectionary and of the Gospel book for use at mass which is about to be published. This might be an opportunity for people to sponsor a volume in memory of someone or for a particular thanksgiving. The 4 lectionary volumes are around £173 each and the Book of the Gospels is £275. These are very high quality books and will deeply enrich our worship.
